
Meet us in February in London at Learning Technologies

Introduction

Learning Technologies is coming to London in 2020 and we are pleased to announce that Assima will be there to showcase our [patented Cloning solution](#) and AI-powered Digital Coach technology.

And while we'll be happy to meet you in our booth, we'd also like to give you the opportunity to book a private moment with us in advance, so we can discuss more in detail how Assima can make your employees better, faster, and help you reduce cost and increase revenue. Please use the form below to get in touch and we'll get back to you shortly to confirm a time with you.

About Learning Technologies

Now in its 21st year, Learning technologies will take place on 12-13 February 2020, at ExCeL, London, and it's the perfect opportunity to explore recent innovations and ideas. It is a workplace learning event that showcases the technology used to support learning and is one of the most important conferences in Europe for all professionals from learning and development. With more than 200 free L&D seminars, 200 exhibitors, this event provides an exciting environment for L&D professionals.
